

## Pacific Press - Kennedy Heights Plant - Colorman Press Installation Project

**Sector:** Manufacturing & Processing Plants  
**Location:** Surrey, BC  
**Owner:** Pacific Newspaper Group  
**Duration:** 9 Months  
**Completion:** August 1997  
**Consultant:** Man Roland Druck Maschinen - AG

**Project Highlights:**

December, 1996 marked the beginning of another unique project for Brymark at the new Pacific Press plant. Brymark is installed 4 brand new state-of-the-art Colorman presses at the new high profile home of Vancouver's two daily newspapers, the Sun and Province. Manufactured in Germany, the new presses were shipped to ports in Tacoma, Washington and Vancouver and then transported in 200 truckloads to site. The heaviest component weighed 40 tons. The Colorman presses were supplied by Man Roland Druck Maschinen - AG, Augsburg, Germany who contracted Brymark for the very specialized project. A crew of 22 men per shift, working 2 shifts per day delivered the project schedule on time. When installed each of the 4 presses stand 56 ft high x 10 ft wide x 394 ft long. At maximum operating speed, each press will be capable of producing up to 80,000 newspapers per hour.
