

MacMillan Bloedel - Port Alberni Division - Peco Crane Demolition Project

Sector: Pulp and Paper
Location: Port Alberni, BC
Owner: MacMillan Bloedel Limited
Duration: 5 Weeks

Project Highlights:

MacMillan Bloedel called Brymark to demolish the aging Peco Crane at their Port Alberni pulp mill. The work took place both above and below the water. Divers were used to cut two steel piles at sea floor level. By the end of the demolition, 340 tons of scrap steel was removed, 200 tons of concrete decking was recycled for future reuse with the largest section weighing 52 tons. Brymark's team completed the project in a five week period incident free.
