Saskatchewan Wheat Pool - North Vancouver - Dust Control Upgrade Project

Sector: Ports and Terminals
Location: North Vancouver, BC
Owner: Saskatchewan Wheat Pool
Duration: 5 Months
Completion: September 2006
Consultant: Lamba & Associates Inc.

Project Highlights:

Early 2006 Brymark collaborated with Saskatchewan Wheat Pool and their consultant to plan the installation of their new dust control system. The project was executed under congested conditions that required significant coordination. Shipping operations were maintained with a minimum amount out outages for tie in to the existing systems.
