

BRYMARK

Schnitzer Steel - Amix Recycling - Scrap Sorting Facility Project

Sector: Manufacturing & Processing Plants
Location: Surrey, BC
Owner: Schnitzer Steel Canada Inc.
Duration: 3 Months
Completion: October 2013
Consultant: Krahn Engineering Inc.

Project Highlights:

Brymark collaborated with Krahn Engineering to install Schnitzer's new state of the art scarp sorting facility as part of their Site Modernization Project. Work included the assembly, installation and commissioning of specialty equipment, supporting structural steel, material handling conveyors and piping systems. The project was delivered on time with no interruption to plant operations.
