

Westshore Terminals - Roberts Bank - Dust Suppression Module Fabrication

Sector: Piping, Skid & Module Fabrication
Location: Brymark's Fabrication Facility
Owner: Westshore Terminals LP
Duration: 1 Month
Completion: June 2013
Consultant: Omni Engineering

Project Highlights:
 Summer 2013 Brymark was contracted to supply piping fabrication services as part of Westshore's Dust Suppression System Project. Brymark's shop fabricated, installed the piping and controls into the container module. Electrical installations followed allowing for a completely assembled module to be shipped to the site for installation by our site crews.
