

Global Container Terminals - Deltaport - RMG # 2 & 3 Gear Box Replacement

Sector: Ports and Terminals
Location: Delta, BC
Owner: Global Container Terminals Inc.
Duration: Shut down work
Completion: April & June 2014

Project Highlights:

As part of Global Container Terminals' continuing preventative maintenance program of their Delta Port Terminal Rail Mounted Gantry Cranes, Brymark was contracted for some gear box replacements on RMG # 2 & # 3. The two separate outages were planned and executed on regular dayshifts to swap out the gear boxes. The cranes were returned back into service incident-free.
