

BRYMARK

Pacific Coast Terminals - Port Moody BC - Recycled Water Project.

Sector: Ports & Terminals
Location: Port Moody, BC
Owner: Pacific Coast Terminals Co Ltd
Duration: 9 months
Completion: April 2014
Consultant: Kerr Wood Leidal

Project Highlights:

Late 2013 Brymark was awarded the new Recycled Water Project at PCT. The work comprises the construction of a new Sludge Dewatering Building, Storage Tank, Feed Pump Station, Clarifier Foundation and associated piping, existing piping relocations, appurtenances and Civil works that will allow for the future removal of the existing system.
